

Bring A Friend

This discount is being offered to returning and new campers. By getting your friends who have never attended Camp Lebanon to sign up and come to camp with you, a camper will save \$25.00 for each friend registered. All registrations should be sent to Camp Lebanon by the camper (Host Camper) receiving the "Bring a Friend" discount. You can save up to the entire cost of your camp depending on how many friends you bring. If a camper brings more than one or two friends, there is no guarantee that they can all be assigned to the same cabin group.
